GOOD ROADS CONVENTION

Orlando, the Phenomenal City, Entertains the Delegates Royally

The convention assembled March 22 and 23.

Hon. M. L. Palmer made the address of welcome, to which Hon. C. A. Carson of Kissimmee made an eloquent reply.

The official call of the convention was read, after which a call of counties was made and the following responded.

Bradford—M. V. Hackett.
Brevard—E. P. Branch.
DeSoto—C. C. Chollar.
Hillsboro—S. J. Drawdy, G. O. Turner.

Lake—W. E. Bell, Robert McNamee, C. P. Lovell, B. E. McLinn.

Lee—W. Gonne.
Marion—H. W. Long.

Orange—J. H. Lee, H. K. Fuller, H. H. Dickson, L. W. Tilden.

Osceola—C. A. Carson, R. T. Butler, I. W. Watson.

Polk—A. B. Harrington, E. W. Coddington, Thomas Hall.
Volusia—A. Bond.

Capt. W. B. Tucker, representing the F. C. & P. railroad, and C. P. Lovell, representing the Clyde Line, and various citizens of Orange county, not formally entered upon the roll.

Hon. H. W. Long of Marion county was unanimously elected permanent president. In a straight-forward, business-like address, he accepted the honor conferred, and called on the convention to proceed with its business.

Major J. N. Bradshaw was elected secretary and Carl R. Robinson assistant secretary and reporter.

A call of counties for a report on work done for good roads, elicited a most interesting series of reports, some made in writing and many verbally. As each report was made by a delegate from each county called upon, the delegate was subjected to a rapid cross-fire of questions from all over the hall, the answers to which, taken with the reports made, gave a great deal of good information as to the methods pursued and the results obtained in counties where work on roads has been done.

These reports, as well as the questions and answers, will be collated and published by the congress, so that the information elicited may be of permanent use. The discussion was carried on during the morning session and resumed at the session held in the evening.

At 1 o'clock the congress adjourned for the afternoon. At 2 o'clock the delegates were taken in carriages for a drive over the east road to the place of Hon. Isaac A. Hopper, father of good roads in Orange county, where a stop was made to inspect Mr. Hoppers' beautiful home, "The Ripples," and to partake of the hospitalities of the mansion, which were inspiring and stimulating. The drive was continued to the residence of Mrs. W. C. Comstock, on Lake Osceola,

Russia's Warlike Preparations on and Near the Black Sea

London, March 28.—The Standard gives double-leaded prominence to the following dispatch from Odessa:

"There can be no longer any doubt as to the object of the warlike preparations now being completed in South Russia. Nearly 250,000 troops have already been mobilized for active service. The Black Sea Squadron, with transports, is held in instant readiness.

"The tension in the relations between St. Petersburg and the Sublime Porte becomes every day more acute. The position is looked upon with the gravest apprehension.

"If the Ottoman government, supported by Germany, should prove stubbornly intractable with regard to Russia's concessionary demands in Asia Minor, serious complications must inevitably ensue. The Russian garrisons in the Caucasus and along the Armenian frontier have been increased four-fold and equipped for active service."
